# K2 RX DISPENSARY SHELVING

## ABOUT K2 RX DISPENSARY SHELVING

The K2 represents the Summit line of high quality, strong and affordable slotted rx dispensary shelving system. These panels' unique design offers a high density shelving option to merchandise behind pharmacy bays. Constructed with cold rolled steel, the K2 drug wall system is vertically spaced one inch apart, allowing it for far greater display space than conventional pegboard and slatwall systems.

The K2 trays come in various widths and can be easily adjusted on the slotted wall to maximize space. The unique design allows it to be repositioned without taking merchandise off.
